Was it 1968, 1973, or 1978? Answer on back.

I nibble therefore I am.

Two squirrels are sitting on a branch in a college courtyard overlooking a student reading a philosophy book. One of the squirrels bumps the other, "I bet he thinks he's special, pondering his meaning in life. Well I ponder too! I wonder why I'm here!"

The other squirrel screams, "Oh my God! A talking squirrel!"
