Beach Bash 2026 for the Peake Childhood Center

Every year the Hampton Rotary Club decides what local charitable organizations they want to support. This year we decided we would do our best to help the Peake Childhood Center in Hampton. Our first step was to ask them what they needed this year. The answer.... A fully outfitted Toddler Room. With that goal in mind, and a little guidance from Peake, we created a Sponsorship Package that reflects the needs of the kids.

With your financial help we will make a room filled with all the things Peake toddlers need to be safe, learn, and grow!

There is a Waiting List....

Peake serves children ages six weeks to five and works hard to meet its mission to provide a quality and affordable program while ensuring its children are school ready. Peake's mission is important because at least 75% of its working families live below the poverty level. While the average annual cost in Virginia for infant care being almost \$18,000 and \$14,000 for preschool ages, Peake offers a sliding scale tuition that ensures working families pay far less according to their income. Peake also qualifies for the state's child care subsidy program, but it pays only 75% of the full cost of a quality program. Peake continues to provide a high quality early childhood education program as evidenced by its state rating, NAEYC accreditation, and Virginia Kindergarten Readiness Program assessment results. Ultimately it is donations made by individuals, organizations, and businesses/corporations that help to ensure Peake families can be at work while their children attend a high quality program.
